IT IS A BURNING SHAME

. . that so many churches are without sufficient insurance and not properly safeguarded against fire.

THE NATIONAL MUTUAL CHURCH INSURANCE COMPANY OF CHICAGO
(The Methodist Mutual)

has continuously since 1899 been furnishing protection AT COST against FIRE, LIGHTNING and WINDSTORM. No assessments; easy annual payments; legal reserve for protection of policyholders same as stock companies. Parsonages, Homes and Personal Effects of Ministers and Church Members also insured.

AUTOMOBILE INSURANCE FOR MEMBERS.

NO AGENTS DEAL DIRECT

SAVE MONEY by using your own Insurance Company. Policies now in effect on nearly every church in Methodism in the United States. Gross losses paid over THREE AND ONE-THIRD MILLION DOLLARS.

NOT ONE DOLLAR EVER DUE AND UNPAID

REPORTS

(A) — Standing Committees and Boards

COMMITTEE ON EDUCATION

Religious Education in the Local Church School

In the light of the economic facts studied we recommend that the specialized leadership in religious education through a director be discontinued and that the leadership be assigned to the regular district and conference supervisory agencies.

We recommend that the District Superintendent be recognized as the **director of religious education** in his district and that he be asked to group the churches of his district and appoint a chairman of each group; also to supervise the organization of the groups in promoting the program of religious education in the churches.

We recommend that H. O. Perry be made the chairman of these directors and that his office be made the depository of the loan library and the supplies, and that a part-time secretary be employed to take charge of this library and the correspondence.

We furthermore recommend that the goal for Rally Day Offering be set at seven cents per enrolled member and that such funds accruing from it as may be left after the deducting of the following items be divided by the Conference Board of Education among the districts of the conference in proportion to the amount raised on the districts for use as an expense fund in the promotion of the work of religious education on their respective districts as follows:

1. The payment to the Board of Education of the amount required by the discipline for the expense of promotion of Rally Day.

2. The payment of any deficit accumulated in meeting the obligations of the area program began last year.

3. The expense of the seminar for ministers.

4. Maintenance of a conference central office for loan library, for furnishing of supplies and for correspondence.

We heartily approve the plan that $1,000.00 be included for this program of religious education in the budget to be raised from the conference education collection.

We recommend that the area seminar for ministers be continued under the auspices of the Conference Board of Education in cooperation with similar boards of the other interested conferences. Also that the district superintendents shall be the executive committee in carrying forward the seminar movement. We appreciate the splendid leadership of Dr. Charles F. Boss, Jr., in former seminars and request that his services be secured for leadership this year.

We appreciate the splendid service of the Washington-Northern Idaho Council of Christian Education and we recommend that Miss Gertrude L. Apel, executive secretary of that organization be elected to membership in our Conference Board of Education and that H. O. Perry, R. L. Sprague, E. J. Fuller, M. J. Perdue and W. H. Weaver be the representatives of our denomination on the Council of that organization.

We recommend the council to our Sunday Schools and interested laymen for financial support and recommend that it be listed as one of the agencies of the conference and funds raised for its support be credited as conference benevolences.

Dr. F. E. Eiselen in his visit to our Conference has rendered very valuable service in assisting to formulate our plans for the advance in our program. His address was a source of information and inspiration. We take this method of thanking him for his visit.

Rev. Miss Gertrude L. Apel, who for many years was one of our own pastors and who is now Executive Secretary of the Washington-Northern Idaho Council of Christian Education, is rendering a very great and effective service in the field of Christian Education and is highly appreciated by all the denominational agencies.

Dr. C. L. Clifford, who has served as one of the Area Directors, has rendered a very stimulating service in the field of Christian Education in the local church. He is to be commended for his contribution in this great and important program.

Dr. Andrew Warner, who for some time served as Conference Director of Religious Education and who for the past year has served in this capacity as one of the Area Directors, has rendered a most valuable service to our Conference. We commend him for his untiring and sacrificial effort in carrying on this work under very trying and difficult circumstances and we wish to express to him our deep appreciation for his service and our deep regret that conditions seem to make necessary a change.

Northwest Training School—The report of this institution was presented showing an enrollment of 29, and eleven graduates for the present year. Our committee asks that a Conference Committee be named to study the program and report on the prospects for the future of the Northwest Training School.

The College of Puget Sound—The high acedemic attainment of the college is attested by the placing of it by the Association of American Universities on its approved list. The college thus becomes one of four privately endowed schools in the Pacific Northwest to have this rating.

The college was won first place for girls' teams in debate on the Pacific Coast, and second place by the men's team, and second place in oratory. Fifty-two colleges were represented in that meet. Its graduates have taken high rank in graduate institutions of the country. The Methodists can recommend most cordially this college to the youth of the country.

The college closes this academic year with a deficit in current expense of only seven thousand dollars ($7,000.00), a record among colleges, we believe.

To evercome this deficit every pulpit of the conference should be opened to the representatives of the college to his official board and congregation during the year.

Wesley Foundation—Your Committee on Education recommends for adoption the following plan for support of the Wesley Foundations of the Pacific Northwest Conference:

1. That an apportionment be made to each church in the Conference, to aggregate an income sufficient to meet the Conference Unified Wesley Foundation budget as approved by the Committee on Temporal Economy; the method of making said apportionment to be determined by the same committee.

2. That said asking be included as an item in the benevolence budget of each charge and that a systematic monthly or quarterly plan of remittance to the conference Wesley Foundation treasurer be followed.

3. That it shall be the responsibility of the District Superintendents to present the apportionment for Wesley Foundation, together with other approved askings and the budget plan of payment to the First Quarterly Conferences of the churches of their respective districts, and to cooperate in the execution of this legislation.

4. That receipts from apportionments to the churches be allocated by a Conference Wesley Foundation Treasurer on the following basis:

5% to Wesley Foundation at University of Idaho.
10% to Wesley Foundation at Washington State College.
85% to Wesley Foundation at University of Washington.

5. In view of the greatly reduced appropriations from the Board of Education, our pastors and leaders should give due emphasis to Benevolences Ordered by the Annual Conference, and that conference recognition be given accordingly.

6. That the pastors furnish the directors and pastors with names of and information concerning students expecting to attend college or universities, and that the second Sunday in September be fittingly observed as Go-To-College Sunday.

Loan Library—Your Committee discussed the need and possibility for providing a library in Western Washington where members of the Conference might borrow books for the study courses and for their regular work. We ask you to approve the following men as members of a committee to promote the development of such a library: M. J. Perdue, Prof. Regester, Dr. J. F. Haas, Prof. Frederick.

Christian Advocate—As an important factor in Adult Education in the worthwhile things of life, your committee urges the wider reading and use of The Pacific Christias Advocate, one of the best of the religious periodicals.

HISTORICAL SOCIETY

"No future is safe where the past is forgotten." This is our motto and with it printed on the letterhead of the society, favorable comments have come from Washington City and from British Columbia. We are concerned that the members of this conference come soon to a higher evaluation of its foundation truth.

The year that Isaac Stevens became Governor of the Territory of Washington and settlers began to occupy the most strategic positions Methodist preachers sought out every pioneer community. This was in 1853. Vancouver, Olympia, Seattle, Whidby Island, Grand Mound, Steilacoom, Whatcom and Walla Walla began to hear the gospel sound with its call to salvation through faith in Jesus Christ. We are now commemorating this spiritual trail blazing of eighty years ago. For three decades the Hudson Bay Company had controlled this empire for furs and the British Crown. Now the Methodist preachers ever defended the Stars and Stripes. We may well do them the honor of a genuine appreciation. They served the Christ and his Church in true American patriotism. This is indeed a historic year.

Next year comes the Centennial of the coming of Jason Lee and his associates to the Indians of the Pacific Northwest and soon became the shepherds of the white flocks of pioneers coming over the Oregon Trail. There lay a religious romance seldom equalled in Christian history. A great celebration is everywhere anticipated and all should encourage the Jason Lee Centennial Commission in every plan being projected.

In 1934 comes the Sesqui-Centennial of American Methodism and a General Conference commission is planning worthy recognition of the Christmas Conference, Bishop Asbury, and the planting of the Methodist Episcopal Church in America. Vast strides have been made across this mighty continent in 150 years. It took fifty years to reach the Mississippi River. Then came the trek of the Lees across unknown lands to the Pacific. Then the years of filling in and building the Kingdom. The Sesqui-Centennial Commission deserves our cooperation and by this we may relate our more local commemoration of Old Oregon with those years when America was young.

This Historical Society recommends most heartly the fullest cooperation possible by the Pacific Northwest Annual Conference.

The widow of Dr. Henry Brown has turned to this society the historical manuscripts of that honored member of the old Columbia River Conference. We greatly desire that all our members, especially of the pioneer days, prepare adequate records of their experiences and observations, for the archives of the Society.

Your Historical Society greatly desires copies of all bulletins of historical events and such press clippings and manuscripts as may become valuable to the records of Methodism in the years to come. And the Society believes its trust a sacred one, well worthy of the utmost cooperation of every minister and member of the churches within the Pacific Northwest.

JOHN M. CANSE, President.

JOHN A. HOFFMAN, Secretary.

JASON LEE CENTENNIAL

Your Commission desires adequately to relate the Pacific Northwest Annual Conference to the Centennial Celebration being planned in honor of the coming of Jason Lee and his associates, in 1834, to the Flathead Indian Mission of the Methodist Episcopal Church, being the first missionary enterprise within the vast domain northwest of the Missouri River.

The General Conference of 1932 sanctioned the co-operation of the commissions of the interested Annual Conferences and the Board of Home Missions and Church Extension. Action has been taken at recent conference sessions urging the fullest recognition possible. Bishop Lowe is now the leader in all this Pacific Northwest country and with the co-operation of all the ministers and churches there can be shown a magnificent commemoration of Christian beginnings in this great Area. Your commission recommends a worthy program at the next session of the Pacific Northwest Conference, 1934, co-operating with a similar recognition by the Oregon Annual Conference, with a joint session devoted to a great pageant, music and addresses, worthy of the event. These features should be carefully worked out in the near future at a joint meeting of the commissions of the interested Annual Conferences, upon the call of Bishop Lowe.

As Jason Lee preached at Fort Vancouver, September 28, 1934, the first sermon ever delivered within our Conference, we urge upon all the churches their best recognition of this missionary achievement. The pageant arranged by the Board of Home Missions is heartily recommended, and every pastor is urged to make the fullest use of the occasion to extend the missionary program of the church.

The Committee of District Superintendents representing the cabinets of the Oregon and Pacific Northwest Conferences present the following items for adoption as the program of the two conferences in the observance of the Jason Lee Centennial:

1. There shall be simultaneous meetings of the Oregon and Pacific Northwest Conferences at Salem and Vancouver at the time of the Pacific Northwest Conference.

2. The anniversary services shall be held on Friday of the conference week in the City Auditorium in Portland. The morning of this day shall be given to a joint meeting at 11 o'clock following Methodist caravans from Salem and from Vancouver. The governors of the states of Oregon and Washington; the two presiding Bishops; Dr. Meany of the University of Washington; Dr. Brosnan of the University of Idaho and Judge D'Arcy of Salem shall be invited to speak at 2:30. This shall be known as the Pioneers meeting.

In the evening at 7:30 a Jason Lee pageant shall be presented.

A General Committee to have charge of the program shall be and is hereby appointed. This committee shall consist of the two presidents of the Conference Boards of Home Missions and Church Extension. The two presidents of the Conference Historical Societies. The District Superintendents of the Salem and Vancouver districts. The Pastors at Vancouver and

Salem. Two laymen at large—for Oregon,Amedee M. Smith. For Pacific Northwest—Chas. A. Robbins.

Ashby, Superintendent, Walla Walla District; Dr. E. A. Wolf, Superintendent, Vancouver District; Dr. H. O. Perry, Superintendent, Seattle-Tacoma District; Dr. H. Pemberton, Superintendent, Puget Sound District; Dr. Roy L. Sprague, Treasurer of the Conference Board of Stewards.

Of the Epworth Heights Commission for the period of December 1st, 1931, to May 31st, 1933.

3rd. We have also audited the following and found them correct.

Accounts of V. A. Spicker, Treasurer of Conference Travel fund.

HOME MISSIONS AND CHURCH EXTENSION

We recommend that a Home Missions committee be appointed by each district Superintendent to study the Home Missionary obligations and responsibilities within his district and to secure cooperation of the charges within the district in meeting the challenges discovered by such study.

We recommend that the pastors preach on Home Missions, and such work within the conference at least once a quarter.

We appreciate the efficient leadership in many of the perplexing financial problems of the conference by Dr. Walter S. Torbet, western

representative of the Board of Home Missions and Church Extension. Also the very generous consideration given by the Board of Home Missions and Church extension in the maintenance and property projects.

We reccommend that the churches of the Pacific Northwest Conference allocate 37.25% of their total World Service giving to the Board of Home Missions and Church Extension, to be applied proportionately to both, officially approved district home missionary programs of the conference and other home missionary work in the program of the Board.

In making World Service remittances, churches are requested to divide amounts intended for the Board of Home Missions and Church Extension, in accordance with the accepted program.

As was done last year throughout the Portland Area, this conference cooperate with the Bishop, District Superintendents and other general and local leaders in the promotion of a composite, connectional World Service program of field cultivation in behalf of Methodism's total missionary and benevolence task, at home and abroad.

CHAS. E. MILLER, Chairman.

PUBLIC REFORMS

WHEREAS, a proposition to repeal the Eighteenth Amendment has been submitted for action of the states by Congress, and by action of the 1933 Legislature of the State of Washington is to be voted upon by voters of this state on August 29, and

WHEREAS, no substitute of any kind has been offered in its place and further since the State of Washington has repealed its entire body of effective liquor control legislation and new legislation controlling the liquor traffic cannot be enacted for two years, be it therefore,

RESOLVED that the Pacific Northwest Conference as a body get behind the State Prohibition Emergency Committee in every way possible; That we urge every member and every friend of the Church to pray and work and vote to retain the Eighteenth Amendment in the Constitution.

WE FURTHER RECOMMEND that our churches open their doors to the field workers between now and the 29th of August.

The Pacific Northwest Annual Conference of the Methodist Episcopal Church does hereby pledge a continued co-operation, and to use their influence in assisting the W. C. T. U. in its work in the various commmunities, believing in the ultimate triumph of right over wrong, and accept the slogan— "The Line Shall Not Break Where I Stand."

Since the motion picture has become a vital influence in the educational life of the American people and the type of picture exhibited today is in part or as a whole immoral and unwholesome, and since appealing to the producer and exhibitor has brought forth no satisfactory results in this regard, be it

RESOLVED that the Pacific Northwest Annual Conference declares its denunciation of the present day motion picture and urges our federal legislators to pass legislation creating a commission of censorship at the place of production of pictures, and be it further

RESOLVED that we urge these same legislators to pass such legislation as necessary to illegalize the corrupt and vicious system of booking pictures known as the "block system," further

RESOLVED that a copy of these resolutions be sent to our senators and congressmen.

R. V. B. DUNLAP, Chairman.
GEORGE P. FIRTH, Secretary.

SOCIAL SERVICE

1. We believe in the Full Gospel of loving the Lord our God with all our hearts and our neighbors as ourselves.

We believe in the common ownership of natural resources and the means of production and distribution that human needs may be satisfied.

Economic equality for all who work and the availability of all educational facilities without regard to the economic status of students or parents.

Opposition to any system forbidding the maintenance of educational and religious institutions independent of the natural system.

The exercise of the right of franchise is a primary Christian duty.

2. We reiterate our opposition to war and to any increase in armaments and commend all groups who are working toward world peace.

We deplore the subtle methods now employed by those who use such terms as "Bolshevism," "Communism" and "Un-Americanism" to prejudice the minds of the public against any change in the present system. We should keep secure the American principle of the "Right of Protest," "Free Speech" and "Free Press."

We commend the statesman-like report of our District Superintendents calling both ministry and laymen to follow the Gospel of Jesus in relieving those now suffering under our economic system and repudiate as cowardly the tendency to console these victims of injustice by promise of eternal bliss in another world.

That the sanctity of the home may be kept inviolate we urge cooperation with President Roosevelt to prevent untimely foreclosures of home properties.

Many of our brothers in the ministry are facing another year of privation through falling income and in order to supplement the meager salaries of these our brethren we invite all ministers who received $1,000 or more cash salary last year to assess themselves on the following basis:

All who received $1,000 to 1,500 one-half of one per cent; $1,500 to $2,000 three-fourths of one per cent; $2,000 to $3,000 one per cent; $3,000 or more one and one-half per cent.

That these amounts be forwarded to the Conference Treasurer and disbursed to recipients on order of the Central Clearing Committee of the Social Service Commission who shall be guided in their decision by information secured from the District Superintendents through the District Social Service Secretary.

J. W. CAUGHLAN, President.
ROY H. MURRAY, Secretary.

COMMISSION ON FINANCE

1. We recommend that each District Superintendent be allowed a maximum expense fund of $1,000.00, inclusive of house rent, travel and other expenses.

2. That the cash support of each District Superintendent be estimated at $32,000.00 exclusive of expenses.

3. We recommend that the ratio of 8½% of the cash support of the pastor be used for the apportionment of expenses and cash sup-

port of the Districts Superintendents and that the cash support be equalized.

HAROLD O. PERRY, Chairman.
CHAS. A. ROBBINS, Secretary.

STATE OF THE CHURCH AND EVANGELISM

War is an unmitigated curse from every standpoint. We recognize the obligation resting upon us, first, by promoting among the membership of our churches a more general knowledge of the utter futility and tragic destructiveness of war; by discouraging, so far as lies in our power, the promotion of compulsory military training in our institutions of higher learning and the promotion of R. O. T. C. camps; and by our insistance upon the utter destruction of war.

We regret the growing tendency on the part of some to discredit evangelism, and to criticize experimental religion, and dub it "Emotionalism," for we believe that the evangelist is as much a "called of God" man as is the minister.

Any substitutes for the Gospel, are altogether inadequate to bring satisfaction to the human heart. We believe that if the doctrines of Methodism were preached instead of eulogizing men of doubtful doctrines, we would again see sinners coming to our altars, repenting of their sins, and seeking peace with God. But this cannot be accomplished with a lost zeal for evangelism, doubts concerning Christ, and a disbelief in the Bible, as the inspired word of God. Conversion of sinners should be the chief goal of the minister of Christ.

It is our judgment that not until we, both ministers and laymen, become a consecrated, believing, nothing doubting, Spirit-filled people, can we ever hope to again become that great forward-marching, outreaching church, that we once were in the work for the Kingdom of God. Personal evangelism as a year round program is recommended.

H. E. GREENING, Chairman.
GEO. E. DAVIS, Secretary.

CHURCH PUBLICATIONS AND CHRISTIAN LITERATURE

In the opening of this report the committee wish to say that they have derived great profit from the personal presence of Dr. George C. Douglas, our publishing agent at Cincinnati, and we would welcome more frequent repetitions of this visit.

We desire to go on record as heartily endorsing the sentiments expressed in the District Superintendents' composite report as follows:

"The most valuable assistant any pastor may have in his work is the Christian Advocate. Our earnest urging upon the layity of the worthwhileness of this excellent paper is solely for the benefit of those who are wise enough to take it and read it. We are sorry to report that in too many of our churches the value of this paper is held too lightly. Those pastors who press its circulation profit in the end by having an intelligent and alert membership whose mental and spiritual horizons are broadened and whose interest in every phase of church life is in consequence more active and eager. We would further urge that more attention be given to this matter in the work of the Conference for its own good."

Sunday School Literature—We deplore the wide circulation of cheap and inferior literature for Sunday Schools. Experience has shown that this literature is deficient in spiritual vitamines and it builds up neither the religious life of the individual, nor the Christian group consciousness. Both the excellence of our Suday School liter-

ature and the loyalty of our Methodist people have been shown by the fact that in this year of unprecedented business depression the decrease in the sales of this literature has only been 7½%, while in the same period the decrease in general businss has been vastly greater.

Books—Next to fiction the largest demand for books is in the field of religion. In meeting this demand the Methodist Book Concern has a high and honorable place, providing the public with the writings of such men as Stanley Jones, C. F. Andrews, Halford Luccock, E. S. Brightman, and Leslie Weatherhead, than which there is no more distinguished list of religious thinkers. No Methodist reader is under the necessity of purchasing books, religious or secular, any otherwhere than from the Methodist Book Concern.

Epworth Herald—We commend the Epworth Herald to the attention of our young people as furnishing a comprehensive and inspiring guide amid the multifarious movements for the creation of a better world.

Pacific Christian Advocate—We rejoice that in the revamping of the Advocate set-up, the General Conference provided for the continuance of a paper on the Pacific Coast. Christianity in its long history has never faced a greater crisis than in its present contest for the soul of the Orient. The weekly column entitled "The Pacific Basin" with its outlook toward the future, serves to give a Christian interpretation of current events in this great sphere of world activity.

It is the conviction that every member of an Official Board should be a subscriber to the Pacific Christian Advocate.

Incidentally, the Advocate is no small asset in the fight now on in all our Pacific Coast States to preserve our homes from the ravages of a resurrected liquor traffic and the inroads of race-track gambling on dogs and horses.

We request Churches located in towns where there is a public library to place a regular current copy of the Advocate therein. We urge pastors—every pastor in the Conference—to present the matter of personal subscription publicity to his congregation, and then to make such arrangements for solicitation of subscribers as may be most likely to secure the results desired. It should be recalled that members or groups which secure subscribers may be allowed forty cents for each new subscription, and twenty cents for each renewal. The energy now employed by many of our organizations in securing subscribers for secular magazines would be better employed for building up Church life through the circulation of Christian literature.

The committee offers for next year an award consisting of any pulpit Bible—the best—published by the Methodist Book Concern to that church which evolves the best plan for securing subscribers to the Christian Advocate. The award will be made at the United Session of the Pacific Northwest Conference of 1934. The basis of judgment for award will be upon the actual operation of the plan, and also upon the number of subscribers secured for the Christian Advocate in proportion to the membership of the local church.

The committee finds itself of the opinion that in the selection and nomination of official members, consideration should be given to the fact as to whether or not they are readers of and subscribers to the Christian Advocate within their families.

W. E. NIMS, Chairman.

BENEVOLENCES

We believe that the Church is one body. That the total program of the Church must stand or fall together, that the present tragic retrenchment in World Service if permitted to continue can have but one consequence which needs not be defined; but we also heartily believe that, even under present conditions the retrenchment can be stopped, and a definite constructive forward movement instituted in the immediate future, and that this should be immediately, and with faith, determination, and perseverance, undertaken in every district and Church within our Conference.

We therefore, looking to this achievement, and after careful consideration, respectfully suggest,

1st; That definite steps be taken to restore the "Balance" in our World Service Contributions, by a definite modification, and limitation of our present growing, and already dangerous use of the privilege of "Designation" for World Service Credit. That the limitation be placed at not more than 50% and used only when and where utmost necessity shall demand.

2nd (a); That the Cabinet be requested to undertake, and to institute a promotional and Education Campaign in each district, that shall extend, so far as humanly possible, to the last man on the last charge within the District, the purpose of which shall be to promote the total program of World Service and to restore this program to its rightful place in the thought of the Whole Church.

(b) That if practical, and so far as possible the District Superintendents be instructed (or authorized) as part of the campaign to arrange Exchange of Pulpits and the use of Laymen, so that in every Church the World Service Message may be presented by a Visiting Minister or layman.

(c) That the widest possible use be made of the splendid Educational Material provided by the various agencies, and especially where facilities allow the full use be made of Stereopticon Lectures which are so readily available and so interestingly instructive. And,

3rd: That the Conference and each pastor is urged to give special prayerful consideration to the present serious situation confronting our foreign missionary Board as a result of our over zealous use of the "Designation" privilege, for projects within the Conference. This condition must be changed or we shall soon have no "Foreign Missionary Work" to consider.

C. H. COWDY, Chairman.
FRED TRAMANN, Secretary.

BOARD OF HOSPITALS AND HOMES

Your board desires to express appreciation for the splendid report presented on the floor of the Conference by Cyrus A. Wright and the approval by the Conference we believe to be in harmony with the best interests of the Seattle General Hospital.

We reviewed the reports presented by Robert Warner, superintendent of the Spokane Deaconness Hospital and J. O. Hawk, superintendent of Central Washington Deaconness Hospital and most heartily approve the spirit of sacrifice and heroism shown by the entire groups of these worthy institutions. They have met adverse financial conditions in true Christian spirit and have made remarkable showings with curtailed incomes. We regret to learn that J. O. Hawk on account of failing health asks to be relieved and we express to him our sincere hope that with lessened responsibility he may regain his health; he has labored faithfully and well. We welcome

Dr. A. L. Howarth as his successor and commend him to the church as the leader of that worthy enterprise.

We recommend that the American White Cross be used in the promotion of the work of the Hospitals of the Conference.

The Children's Home at Everett merits our sympathetic interest and support and the work rendered there by those loyal workers is above price in helping the little ones.

We most fully commend the leadership of Miss Eva B. Burch in this work.

These institutions that minister to the needs of human sufferings and heart aches furnish a most worthy opportunity to express a genuine practical Christian environment and atmosphere and we believe that to be the highest ideal of the church to minister not only to the physical needs but to magnify the spiritual hope of those we serve. Any deviation from these high ideals of Christian helpfulness and spiritual leadership your board would view as treason against our church and against the head of the Church.

E. M. HILL, President.
E. T. GRUWELL, Secretary.

PASTORS' LIBRARY

The Pacific Northwest Annual Conference having, upon recommendation of the Committee on Education, authorized the founding of a pastors' library at the College of Puget Sound, we your committee propose the following rules for its operation:

2. The books shall be selected by a committee raised by the Conference Committee on Education or in such other way as the Pacific Northwest Conference shall from time to time direct.
3. The cost of books shall be met by membership annual dues from the pastors and such other funds as may from time to time be available.
4. The annual membership dues shall be a sum judged by the committee sufficient to purchase one book and pay postage from the College of Puget Sound to the members. (For 1933-1934 the amount shall be $3.00).
5. Members shall be privileged to borrow books for a period of 30 days, after which time there shall be an assessment of 2 cents per day for each day the book is kept.

TACOMA GOODWILL INDUSTRIES

We have been able to touch only the edge of the present distress, but wherever we have touched we have let it be known that it was the Church of Jesus Christ clothing and feeding the poor. Our chapel has been crowded. The Bible Study classes have been well attended. The great need has been the finishing of our chapel which would cost only a few hundred dollars, then we could minister to the neighborhood in a much wider way. This is next in our program.

Two rooms of the main building have been finished this year, and we have no current expense debt at the present time. We have placed a number of families on farms where they will have a home in years to come.

The outcome of much of the relief given has the tendency to break down the high position of the home. The ideal of the Goodwill is to exalt the home, giving father or mother the chance to again care for the loved ones of the home. Hundreds have personally thanked us for the existence of Goodwill.

H. W. MICHENER, Superintendent.

KELLOGG CHURCH — FEDERATION

Your committee for the investigation of the attempted federation of the Methodist and Congregational Churches in Kellogg, Idaho, has attempted to approach the matter open mindedly, judicially and fairly. We have read more than 75 letters and telegrams from Kellogg and interviewed 10 or 15 persons in our effort to get as many facts as were available. On the basis of our investigation to date we submit the following findings:

We appreciate the judicial manner in which the District Superintendent has handled this baffling problem. He has followed the rules of the church at all points with meticulous care.

The Spokane District Commission, raised by Dr. Brumblay in strict accordance with the rules of the annual conference, could not have rendered other than an adverse decision in the light of past experience with Federated churches. If the people of Kellogg had referred the matter to a District Commission before, rather than after the two congregations came together, it is quite probable that a happy solution could have been found. The Commission, called after local judgment had been swayed decisively in favor of this particular type of church union, faced a decilate if not impossible situation.

Several local considerations should be kept in mind relative to the situation of our church in Kellogg:

1. For a good many years the administration of our church in Kellogg has been most unfortunate. Our church has been the victim of a rather serious type of ministerial failure. These moral, spiritual and misfit personalities, continuing through a series of pastorates, have made impossible a normal numerical or spiritual growth. Only lately have we inaugurated a more auspicious condition.
2. A debt, excessively heavy for the limited membership, has rested upon the church through the years, bringing discouragement and revolt in its wake.
3. Kellogg has not proved a fertile field for the development of a self-supporting church-life, a condition which has placed added burdens upon the membership and required constant home missionary appropriations.
4. The Board of Home Missions and Church Extension has a loan of $6,500.00 which, with accrued interest, makes the total debt more than $12,000.00. This matter requires deliberate consideration.
5. Unquestionably the great majority of our people in Kellogg are definitely favorable toward a union with the Congregationalists.

In view of these circumstances, the committee is of the unanimous opinion that we ought not be hasty in coming to a final conclusion. Without in any sense approving the proposed federation at this time, we recommend that this committee be continued for the purpose of making further study and co-operating with the District Superintendent and the people of Kellogg in seeking a solution of the difficulty, and report to the next session of the Annual Conference.

A. A. CALLENDER.
J. FRANKLIN HAAS.

BOARD OF STEWARDS

In order that the apportionments to the Conference Claimants be made uniform throughout the Conference, and in accordance with the Disciplinary method of fixing such apportionments, the Conference Board of Stewards recommend that the apportionment shall be on a percentage basis of the Pastor's Salary including house rent, based on a sliding scale as follows:

Charges paying less than $800.00 salary including house rent, 10%.
Charges paying $801.00 to $1,000.00 salary includ. house rent, 12½
Charges paying $1,001.00 to $1,400.00 salary inc. house rent, 14%.
Charges paying $1,401.00 to $2,000.00 salary incl. house rent, 16%.
Charges paying $2,001.00 to $3,500.00 salary incl. house rent, 20%.
Charges paying over $3,500.00 salary including house rent, 25%.

This amount should be pro-rated quarterly and remittance made to the Treasurer of the Conference Board of Stewards.

By action of the last General Conference, the support and relief of "Special Conference Claimants," the new title for aged and dis-

abled supply pastors and their widows, is placed in the hands of the Annual Conference. The Board of Stewards recommends that each pastor be requested to take an offering for the aged and disabled supply pastors who have served within the bounds of the Conference for at least 20 years, and their widows, such offering to be taken on the Sunday preceding Thanksgiving, and the amount received sent at once to the Treasurer of the Conference Board of Stewards to be administered by them during the year.

MEMOIRS

REV. JULIUS STEDMAN SMITH

Julius Stedman Smith, an early Methodist itinerant and pioneer preacher passed to his reward at National City, California, Thursday, October 6th, 1932, and was buried in the Mt. Hope Cemetery, San Diego, Saturday, October 8th. Rev. Horace B. Sellers, pastor of the National City Methodist Episcopal Church, had charge of the service, assisted by Rev. H. H. Weyant, a retired member of the Southern California Conference and the Datus E. Coon Grand Army Post, No. 172, of which Brother Smith had been a former commander and member. Brother Smith was born at Athens, Ohio, March 11, 1845. He was converted during a revival at the age of 14, and immediately joined the Methodist Church on probation after being baptized. He entered the Ohio University and graduated in 1866. He was first licensed to preach in 1867, and was admitted to the Nebraska Conference in 1872. His first appointment included all of the west half of the State of Nebraska, a territory which later became the seat of two Conferences and a part of a third. The territory then was sparsely settled. After the Indians stole the one horse he had, he frequently walked twenty miles a day, as well as preaching three times. After a break in health, Mr. Smith preached for two years in the United Brethren Church, then returning to the Methodist Church, united with the Kansas Conference in 1883 and served as chaplain of the Kansas State Penitentiary for eighteen months. In 1885 on account of his wife's health he was sent to the New Mexico Mission, where he was instrumental in the starting of Rio Grande College, now the Harwood School. In 1887 he returned to the Kansas Conference and in 1892 he was transferred to the Oregon Conference, where he served at Grants Pass, Ashland and Independence; to the California Conference, where he served at Byron, Turlock, Antioch and Sonora; and to the Columbia River Conference, where he served at Ellensburg, Palouse, Garfield, and Grangeville, Idaho, from which place he retired in 1904. After retirement he lived for a time in Ashland, Oregon, coming to San Diego in 1917 and to National City in the latter part of that same year. He is survived by his daughter, Lucy L. Smith, who tenderly cared for her father during his years of retirement and failing health.

REV. JULIUS C. HARVEY

Death again invaded the ranks of the retired ministry of the Pacific Northwest Conference when Julius C. Harvey passed to the Great Beyond on December 7, 1932. Death occurred at Puyallup, Washington. Brother Harvey was born June 15, 1862, was married September 2, 1884, and entered the ministry in the Northwest Iowa Conference in 1893 on trial, and was admitted to full connection in 1895, graduating from the course of study in 1897. Mr. Harvey had a long and honorable ministry. From 1894 to 1902 he served in the Northwest Iowa Conference. He then transferred to the South Dakota Conference, serving just one pastorate. He then transferred to the Columbia River Conference, where he served until the consolidation of that conference with the Puget Sound Conference, forming the Pacific

Northwest conference. Since then he served Elwell and Algona, Washington. He retired in June, 1932. Funeral services were held at the Methodist Episcopal Church in Algona on Saturday, December 10th, in charge of Dr. H. O. Perry, district superintendent. Music was rendered by a ministerial trio, from among his friends and brethren—Ernest Barber, J. S. Bell, and U. F. Hawk. The ritual services and prayers were participated in by W. H. H. Forsyth, J. S. Bell, F. A. LaViolette, N. M. Jones, A. A. Callender, and H. O. Perry, all members of the Pacific Northwest Conference. Three short addresses were given in which the ministry of Brother Harvey was recalled and expressions of appreciation given, by Brothers Bell, Hawk, Carter, and Perry. The body of Brother Harvey was entombed in a vault until such time as it can be taken to California for burial.

REV. WILLIAM DeWEESE

William DeWeese was born in Indiana February 8, 1859, and came west twenty years later. Soon after coming west he was converted and entered Willamette Academy. Completing that course, he continued with college work and was graduated in 1887. He joined the Columbia River Conference the same year. In 1888 he was married to Georgia Starnes. Many charges were served by this couple, including pioneer posts. Lone Rock, Prineville, Garfield, Latah, Waitsburg, Walla Walla, Athena, Goldendale, and Ellensburg were among them. Connell was the last charge served. He retired in 1914 on account of his wife's health. For the past six years the DeWeeses have made their home in Kirkland, Washington, where Mr. DeWeese has continued his work by teaching a large and appreciative Bible class in the Rose Hill Presbyterian Church. Death was the result of his being run down on the highway at Kirkland January 27th, 1933. He leaves his wife, his daughters—Mrs. Vera Bledsoe of Seattle, Mrs. Blythe Vincent of Clarkston, Pauline Guptell of Burlingame, California, and two sons, Wesley of Kirkland and Joyce of Ellensburg. Funeral services were held at Kirkland Tuesday, January 31st. N. M. Jones, H. O. Perry; Ulysses F. Hawk, Dr. Scafe and W. E. Callahan took part in the services.

REV. EDWARD L. WOLFF

Rev. Edward L. Wolff was born in Pennsylvania December 17, 1863, going to his heavenly home from Tacoma, Washington, February 22, 1933. Brother Wolff received his theological schooling at Evanston, Illinois, and joined the Nebraska Conference in 1888. In 1894 he was united in marriage to Miss Bessie Schell of Lawrence, Nebraska, who worked loyally with him during his forty years in the ministry. They reared two nieces—Katherine and Hazel—who, with Sister Wolff, reside at 2105 North Proctor Street, Tacoma. He served faithfully his charges in Nebraska and after his transfer to the Columbia River Conference in 1913, the following charges: Pomeroy, Tekoa, Elberton, Outlook, Hartline, Cle Elum, Finley, and Riverton, in Washington, and Echo, in Oregon. After his retirement, in 1929, he served Gig Harbor for one year. Funeral services were conducted by Dr. Harold O. Perry, district superintendent, assisted by Dr. Charles MacCaughey, pastor of Mason Church, the quarterly conference of which church Brother Wolff was a member. Interment was in the Tacoma Mausoleum.

REV. ERNEST H. WINFIELD

News of the death of Rev. E. H. Winfield, pastor of Centenary Church, Spokane, which occurred at the Deaconess Hospital March

29th, 1933, brought a shock to his many friends in Spokane and to his brother pastors in the Pacific Northwest Conference. Brother Winfield was in his pulpit Sunday, taking as his morning sermon topic, "Divine Sorrow and Tears." Monday evening he was taken with a severe stomach trouble, and due to intense pain, was removed to the hospital. The trouble failed to respond to treatment and an operation was deemed advisable. He passed away without regaining consciousness after the anaesthetic. It was just ten years to the day, before the Monday night that he went to the hospital, that he and Mrs. Winfield arrived in Spokane from Calgary. One of his first remarks on reaching the city, it is recalled, was that he would not mind having a ten-year pastorate here. He was transferred from the Canadian Methodist Church and his first pastorate was at Hamilton Street Church, Spokane, which was discontinued two or three years ago. In 1926 he was transferred to Central Church as associate of the Rev. Thomas W. Jeffrey. Two years later he became affiliated with the Anti-Saloon League of Washington as assistant superintendent and continued in that work until going to Centenary Church in the fall of 1930. Mr. Winfield was born in London, England, forty-eight years ago. As a boy he came to Canada with his family. Surviving are his wife in Spokane, his father and a brother in Ontario. The funeral was held on April 1st and was conducted by Dr. T. W. Jeffrey, assisted by Dr. Robert Brumblay, district superintendent, and several brother pastors.

REV. LOYD L. BURK

Rev. Loyd L. Burk passed away at the age of 42 in Clark General Hospital, Vancouver, Washington, April 13th, 1933. His death was due to injuries received when his automobile was struck by another car while he was on his way to arrange for an Easter sunrise service.

Brother Burk joined the Puget Sound Conference in 1916 and rendered faithful service in the charges to which he was appointed.

He is survived by his wife Mildred Blair Burk; three children by his first marriage, Betty, James and Lyman; and two by his second marriage, Allen and Edgar.

Dr. Edward A. Wolfe, Superintendent of the Vancouver District, conducted the funeral service in the Stevenson Methodist Church and burial was in the family plot at Tacoma, the Rev. J. T. McQueen conducting the service at the grave.

He will be missed among his brethren in the ministry and by the many friends he made during his ministerial service which was wholly rendered in the State of Washington.

For the sorrowing mother and the five little children the prayers of the Church ascend to him who is a father to the fatherless and a husband to the widow.

REV. CHARLES EDGAR GIBSON

Charles Edgar Gibson was born July 27, 1858, in Green Bay, Wisconsin. At the age of two years he went with his parents to Emporia, Kansas, where he grew to young manhood. In June, 1881, he was graduated from the Emporia State Normal School and taught school for three years in Kansas before entering on his study for the ministry. He was married to Harriet Louise Garrison in August, 1883. In 1886 they moved to Eastern Washington, and Mr. Gibson became a member of the Columbia River Conference in 1888. He served a number of charges in the Northwest, including St. Paul's Church in Spokane; First Church, Yakima; Central Church, Portland. He also served for three terms as district superintendent of the Moscow, Walla Walla

and Spokane districts of his Church. In 1910 he was sent as a delegate to the Missionary Conference in Chicago. In 1912 he was elected a delegate to the General Conference in Minneapolis. For a number of years he was a trustee of Willamette University in Salem, Oregon. In 1925 he was forced to retire from the active ministry because of poor health, and came to Southern California in 1927, where he lived up to the time of his death.

He is survived by his wife and two daughters—Jessie E. Gibson of Claremont and Bess Gibson Morris of Hoquiam; three sons—Dan W. Gibson of Seattle, Washington; Captain John H. Gibson, United States Army, and Dr. Merrill G. Gibson of Kelso, Washington, and two sisters and two brothers. Eight grandchildren. One daughter, Mrs. Helen Gibson Dement, died in 1925.

The funeral service was held May 4th in Pomona, Cal., with the Rev. H. I. Rasmus, Jr., in charge, assisted by Dr. C. O. Kimball, Dr. J. P. Barker, and Dr. Bieghtol.

MRS. CLARA ANN RICHARDSON

Clara Ann Milne, beloved wife of the Rev. George O. Richardson, a member of the Pacific Northwest Conference now in honored retirement, died at the family home in Adams, Oregon, Sunday evening, January 24, 1932, after an illness of several weeks. She was born in Chicago, Ill., December 14, 1859, the eldest of several children and losing her mother when but 12 years of age.

She was married to Rev. G. O. Richardson May 2, 1878, and a singularly happy and unselfish union lasted nearly fifty-four years.

To Brother and Sister Richardson belong the notable distinction of having founded and sacrificially nurtured during its early struggles, one of our most successful Negro schools, Sam Houston College. At various times in more recent years homeless boys, four in all, have been taken into their hospitable home, assisted through school, and started in life with an endowment of Christian nurture.

Sister Richardson inherited a rich vein of humor from her Scotch forbears. She had a dauntless faith in the ultimate triumph of Righteousness; was outspoken in her convictions; loved her church dearly and died triumphantly. A neighbor, upon learning of her passing, said: "No one in the community will be missed so much." Her funeral, largely attended, was held from the First Methodist Church of Pendleton, conducted by her pastor, Rev. Frank L. Wemett. The ministers of the several churches of the city acted as honorary pallbearers. Burial was at Athena, Ore.

Beside the bereaved husband, a sister, Mrs. Flora Pyatt of Plains, Mont., and a brother, William Milne of Pendleton, survive.

MRS. RACHAEL A. REESE

Rachel Almeda Requa was born at Fountain, Minnesota, October 3, 1868, graduated from the Austin, Minnesota, High School June, 1890, from the Winona, Minnesota, Normal, June, 1891, and taught school for four years in the St. Cloud, Minnesota, public schools. In September, 1897, she came to Everett, Washington, where she taught in the public schools from 1898 to 1902. There she was married to the Rev. Edward B. Reese, June 18, 1902, and served with him in the following pastorates: Lopez, Stanwood, Oak Harbor, Satsop, Orchards, Eatonville, Grace, Everett, Yacolt and retired in 1924, moving to Vancouver, Washington, where she resided until the time of her death, Thursday evening, July 14, 1932, her husband having preceded her into the better land two years and a half. Mrs. Reese was a

beautiful exponent of the doctrine of heart holiness and was actively identified with the movement for the promotion of this experience. She and her husband were the founders of the Clark County Holiness Association in 1911.

Surviving her are, a daughter, Mary Margaret Reese, and four sisters.

Funeral services were held for her at the morning hour of worship on Sunday morning, July 17th, in the First Methodist Episcopal Church, Vancouver, Washington, with her pastor, Rev. Raymond S. Reese, officiating. Her body, wasted by years of failing health, was laid to rest beside that of her husband in the Park Hill Cemetery, Vancouver.

MRS. MARY WINSLOW HODSHIRE

Mrs. Mary Winslow Hodshire, age seventy-four years, died Sunday morning, July 24th, 1932, at the Deaconess Hospital in Spokane, Washington. Mrs. Hodshire had been an invalid for many years. Funeral services were held July 26th at the Davenport Methodist Church, conducted by the pastor, the Rev. A. F. Kroneman, assisted by the Rev. Donald Finlayson of the Presbyterian Church. The deceased was married to the Rev. Charles A. Hodshire, August 7, 1895, at Le Mars, Iowa. Together they served charges in Missouri Conference from 1895 to 1907, when they transferred to the Columbia River Conference. Here they served until 1926, when Brother Hodshire retired. Mrs. Hodshire is survived by three daughters—Mrs. Robert A. Forkner, Salem, Oregon; Mrs. Herman Schendel, Seattle, Washington, and Carol Lynn Dewey, Davenport. Converted at the age of fourteen, she united with the Methodist Church and served her Lord with great fidelity and spiritual efficiency.

MRS. R. C. MOTOR

Lucy E. Doty was born in Lorain County, Ohio, September 11, 1844, died January 1st, 1933. Her parents were devout Christians, but her mother dying while she was a child leaving but a single memory of her, she was cared for by her father whom she most dearly loved.

She was educated in the public schools and at Oberlin University from which she returned to her father's home in Keokuck County, Iowa, where she engaged in school teaching until they removed to Jasper County, Missouri, in 1867. Here she met and married R. C. Moter in October, 1869, and in 1871 began life as the wife of a Methodist preacher, and how she could have been a better helpmate in this particular, it would be difficult to see. She was careful, frugal, enduring the toils and privations of the ministry without a murmur, but feeling that it was a privilege to endure for the sake of the Saviour whom she had served from her thirteenth year, the year of her conversion. She was a soul winner and besides her own personal kin, father, mother, brothers, nieces and aunts, a goodly company through her counsel, prayers and testimonies were ready to greet her in Paradise. For several years she has been in delicate health, when for some weeks of the closing year, the decline became more apparent until a slight attack of pneumonia occurred, which was soon relieved, but she continued to weaken, until without a struggle, she fell asleep.

MRS. ANNA ARMSTRONG

Anna Mary Rhea was born on July 28, 1866, at Greendale, Penn. She grew up on her father's farm, and as a young woman taught school, and music. In April, 1893, she came west to Montana to marry Robert

A. Armstrong, a young Methodist minister, also of Pennsylvania, who had preceded her to the West, and together they did pioneer missionary work among the Indians around Blackfoot, Mont. They served on various other charges in the Montana Conference. Some of them being Augusta, Belt, Cascade, Chinook, Choteau, Fort Benton, Sandcoulee, Townsend and White Sulphur Springs. Later they served on charges in Idaho and Washington, with the Columbia River Conference. Some of their charges here were Sand Point, Idaho; Sprague, Wilbur, Mohler, Downs and Lamona, Tekoa, Mead, Wayside-Wildrose and Williams Valley, in Washington. They then moved to Spokane, Washington, where they lived a number of years. At this time Rev. and Mrs. Armstrong visited their old homes in Pennsylvania and Brother Armstrong passed away there. Rev. Armstrong served some thirty odd years as a minister in the Methodist Church. There were six children born to them, four of whom are living. Mrs. Lois Entenmann, Rhea, Robert, and Eunice Armstrong. About seven years ago Mrs. Armstrong moved to San Francisco, and there with her children she made her home. She had been in poor health for the past two years, and on April 1st, 1933, she passed away. She was a member of Temple Methodist Church in San Francisco. Her funeral service was conducted by her pastor, Dr. Edgar Lowther. Mrs. Armstrong will long be remembered by her many friends, for her great courage, and her keen interest in all phases of church work.

MRS. ISIDORE F. DARROW

Mrs. Isidore F. Darrow was born January 8, 1848, in Boston, Mass., and died at the home of her daughter, Zara Darrow, in Tacoma, May 2, 1933. She was the widow of the Rev. Charles W. Darrow who died in Tacoma, February 6, 1914, and to whom she was married July 28, 1873, in Shelby, Ohio. Her husband was a member of the Erie Conference and was transferred to the Puget Sound Conference in 1890 when they moved to Tacoma.

Mrs. Darrow was active both mentally and physically until her last illness. She loved to read, getting books regularly from the public library and also spent much time taking long pleasure walks; when she was eighty-four years walking to Point Defiance Park and back, a distance of about six miles each way.

There are left three daughters, Zara of Tacoma, Mrs. Zilla Harrison of Arkansas, Lois of San Francisco; two sons, Earl of Tacoma and Osmon of Bremerton, eight grandchiildren and one great grandchild.

MISS FLORENCE MOORE—DEACONESS

Miss Florence Moore was born at Aledo, Illinois, May 11, 1866. She was converted, when a child, under Bishop Taylor's ministry, and at the age of fourteen, united with the Methodist Episcopal Church.

She moved to Tyrone, Nebraska, in 1880 and became a teacher in the public schools. She graduated from Chicago Training School in 1903.

She was retired in 1930 because of rapidly failing health, but kept up as much of her work as possible until in 1932 when she could no longer get to the church and her Sunday school class.

She went to her reward March 2, 1933, after spending six months as a patient in Deaconess Hospital, Spokane.

Miss Moore's years as deaconess were characterized by faith and systematic hard work. She was ever zealous in winning souls for her master, and especially beloved by the young people, among whom she worked.

It Is a Burning Shame

that so many churches are without sufficient insurance and not properly safeguarded against fire.

THE NATIONAL MUTUAL CHURCH INSURANCE COMPANY OF CHICAGO

(The Methodist Mutual)

has continuously since 1899 been furnishing protection AT COST against FIRE, LIGHTNING, AND WINDSTORM. No assessments; easy annual payments; legal reserve for protection of policyholders same as stock companies. Parsonages, Homes, and Personal Effects of Ministers and Church Members also insured. AUTOMOBILE INSURANCE FOR MEMBERS.

NO AGENTS DEAL DIRECT

Save money by using your own Insurance Company. Policies now in effect on nearly every church in Methodism in the United States. Gross losses paid, over THREE AND ONE-HALF MILLION DOLLARS.

NOT ONE DOLLAR EVER DUE AND UNPAID

Always Bear in Mind

THAT your *Own Denominational Publishing House* is equipped to completely minister to every need of every *Methodist Church School.*

THAT one of the chief concerns of the great publishing interests of the Methodist Episcopal Church is the *production of your Church School Periodicals.*

THAT these LESSON HELPS and STORY PAPERS are a Major Factor in the Growth and Success of the Church School, *and*

THAT loyalty of all Methodists to the Book Concern will insure more liberal dividends for the retired preachers, their wives, widows, and children, to whom all profits from the business go.

Use Methodist Literature in your Church Schools.

This issue is basically involved in the present strike of longshoremen.

"We urge upon the Government and both parties involved in the strike the inexcusability of violence.

"We particularly deplore the threat by governmental or municipal agencies to open ports by force, without reference to just settlements.

REPORTS

(a) STANDING COMMITTEES AND BOARDS

COMMITTEE ON EDUCATION

Religious Education in the Local Church School

I. We recommend the continuation of the policy of last year, namely, that the District Superintendent be recognized as the Director of Religious Education in his district, and that he be asked to group the churches of his district and appoint a chairman of each group; also to supervise the organization of the groups in promoting the program of religious education in the churches.

We recommend that H. O. Perry be continued as the Chairman of these directors, and that his office be the depository of the loan library and the supplies, and that a part-time secretary be employed to take charge of this library and the correspondence.

We further recommend that the following members constitute an advisory committee to co-operate with the Chairman, H. O. Perry, and the Superintendents, working out the Program of Christian Education: E. J. Fuller, Mrs. Grace Cooper, M. J. Perdue, Gertrude L. Apel, W. E. Callahan, P. M. Snider.

We further recommend that the goal for Rally Day Offering be set at seven cents per enrolled member, and that such funds accruing from it be divided by the Conference Board of Education among the districts of the Conference in proportion to the amount raised on the districts, and be disbursed: One third be given to the Board of Education, Chicago, and that two thirds be used for secretarial help, incidental office expenses, and promotion work on the districts.

II. We appreciate the splendid service of the Washington-Northern Idaho Council of Christian Education, and we recommend that Miss Gertrude L. Apel, executive secretary of that organization, be continued as a member of our Conference Board of Education, and that H. O. Perry, R. L. Sprague, E. J. Fuller, M. J. Perdue, and P. M. Snider be the representatives of our denomination on the Council of that organization.

III. We recommend the Council of Christian Education to our churches and interested laymen for financial support, and recommend that it be continued as one of the agencies of the Conference, and funds raised for its support be credited as Conference benevolences.

IV. We recommend the following resolution for adoption:

Resolved, That the Pacific Northwest Annual Conference join with other denominations favoring the expanding of the present existing co-operative organization, the Washington Northern Idaho Council of Christian Education, to include the Federal Council of Churches and the Home Missions Council.

V. Dr. Lucius H. Bugbee, in his visit to our Conference, has rendered very valuable service, and we take this method of thanking him and expressing our appreciation for the special contribution made to the program of Christian Education.

VI. We commend the Rev. Miss Gertrude L. Apel, Executive Secretary of the Washington Northern Idaho Council of Christian Education, for her very effective service in this field.

Board of Education.—The Board of Education of the Methodist Episcopal Church should receive strong moral and financial support. Its numerous activities ramify to every home and every member of the family. These activities are part and parcel of every advance of the Kingdom.

The membership of the Church should become more conversant with the forms of work of the Board. This would tend to increase both moral and financial support, through contribution to World Service and Conference benevolences.

College of Puget Sound.—The Board of Trustees and administration of the College of Puget Sound, Tacoma, Washington, are to be commended for their efficient management of the institution. The policy of doing well all academic work attempted, and no more than could be done without incurring an annual deficit, undoubtedly accounts for the high standing of the college in academic and financial circles.

The Church is to be congratulated on the maintenance of a well-organized and well-manned department of religious education in the College of Puget Sound.

The work of the Choral Society and field representative, Rev. John S. Bell, has created a most favorable attitude toward the college wherever they have appeared.

It is not surprising that economic conditions have affected the income of the College both from endowment and payment of student fees. Concern should be felt by every friend of higher learning lest incomes of this and similar institutions should endanger their educational efficiency and standing.

The Pacific Northwest Annual Conference recommends that pastors and laymen extend a hearing to the representatives of the College whenever possible. This is a time for the Church to strengthen her expression in the field of higher education, for the youth need a new emphasis placed on the compatibility of the Christian religion and high intellectual attainment. Let us hold up the hands of those who have the responsibility in carrying forward this Christian institution of higher learning.

Northwest Training School.—On account of the serious financial condition, over which we have no control, the Board of Trustees of the Northwest Training School voted to suspend the school for at least one year, and ask that the Conference continue the offerings for the coming year to pay current expenses and debts.

Wesley Foundation.—Your Committee on Education recommends the continuance of the plan adopted last year for the support of the Wesley Foundation of the Pacific Northwest Conference.

That an apportionment be made to each Church in the Conference to aggregate an income sufficient to meet the Conference Unified Wesley Foundation Budget.

That said asking be included as an item in the benevolent budget of each charge, and that a systematic monthly or quarterly plan of remittance to the Conference Wesley Foundation Treasurer be followed.

That it shall be the responsibility of the District Superintendents to present the apportionments for Wesley Foundation, together with other approved askings, and the budget plan of payment to the first Quarterly Conference in the churches of their respective districts, and to co-operate in the carrying out of this program.

That we approve the askings of these Foundations for maintenance as recorded in the report of the Committee on Institutions.

That the receipts from apportionments and designated gifts made by individuals and churches be distributed by the Conference Wesley Foundation Treasurer as follows: 12½% to the Foundation at Washington State College; 87½% to the Foundation at the University of Washington of the monies raised in the State of Washington. That all monies raised in the State of Idaho be distributed to the Foundation at the University of Idaho.

Since receipts from the General Board of Education have decreased in the past five years from $5,000 to $460 the past year, these Foundations are now entirely dependent upon the income from within the Conference; we therefore urge our pastors and leaders to give due emphasis to this Conference benevolence, and that Conference recognition be given accordingly.

That the pastors furnish the Wesley Foundation pastors with the names of and information concerning students expecting to attend colleges or universities, and that the second Sunday in September be fittingly observed as Go-to-College Sunday.

Pastors' Loan Library.—Last year our Conference voted to establish a Pastors' Loan Library, to be housed at the College of Puget Sound. We recommend the continuation of the same and ask a membership fee of $2 for the Conference year 1934-1935.

We wish to express our appreciation to the College of Puget Sound for putting its library at the disposal of the ministers, and to the Washington State College for housing and making available three hundred or four hundred volumes in the Wesley Foundation Loan Library.

We urge our ministers to become members by paying the annual registration fee, and to suggest books they would like to have added to the library.

We nominate the following officers for the coming year: Chairman, M. J. Perdue; Secretary, A. S. Frederick; Treasurer, John D. Regester.

The Washington-Northern Idaho Council of Christian Education is our accredited agency for co-operative work. Wiping out a debt of long standing has placed the work of the Council on a better business plane than for many years.

Plans are under way for the expanding of the present organization to include the Federal Council of Churches and the Home Missions Council. We nominate for our representatives H. O. Perry, R. L. Sprague, E. J. Fuller, M. J. Perdue, P. M. Snider.

HOME MISSIONS

Whereas, The Home Missionary opportunities within our Conference are so challenging; and,

Whereas, The program of the Board of Home Missions and Church Extension as expressed through the World Service Commissions is clearly the call of God to the fields already white unto the harvest; and,

Whereas, Owing to the general financial stringency, much of our Church property is in jeopardy because local churches are unable to meet their obligations. Therefore be it

Resolved, That we call upon the pastors of this Conference to preach and make frequent reference from the pulpit to concrete examples of Home Missions activities and to call attention to the many valuable articles appearing from time to time in the Pacific edition of "The Christian Advocate."

Inasmuch as the Executive Committee of the Board of Home Missions and Church Extension had at its meeting in May of this year passed a resolution authorizing the officers of that board to make an appeal to the World Service Commission at its annual session in July for a preferential of $25,000 per month, $300,000 per one year. Be it

Resolved, That this Annual Conference indorse the action of the Board of Home Missions and petitions the World Service Commission to grant the request of $300,000 preferential.

We recommend that all our churches of this Conference designate 38% of their total World Service giving to the Board of Home Missions and Church Extension, to be applied proportionately to both officially approved district Home Missionary programs of the Conference and other Home Missionary work in the program of the board.

Further, That we gratefully recognize the statesmanlike leadership and service rendered in this Conference by Dr. Walter Torbet, the Western representative of the Board of Home Missions and Church Extension, in the distressing financial problems of many of our churches.

HARRY E. GREENING, Chairman;
CHAS. E. MILLER, Secretary.

THE STATE OF THE CHURCH

We commend the personal courage, loyalty, and sacrifice on the part of both ministers and laymen that have brought our churches and most of our institutions intact through these trying days. While self-preservation is a primary instinct, we must increasingly recognize that such preservation is dependent upon increasingly efficient service to God and man. We believe that the fundamental mission of the Church is to awaken and foster the real personal relationship between the individual and his God, so clearly made real to us in the life of Jesus.

The reformed individual—both leader and follower—must antedate any successful social or economic reform. Therefore, we commend to our churches a rededication of our efforts and talents—by both ministers and laymen—to a vital program of evangelism in our respective parishes, a new committal of ourselves to Christ's program for winning the lost.

We deplore the modern tendency to break up the home. The divisive forces brought by our serious economic problems and recent changes in public moral ideals can only be overcome by a personal religious experience of regeneration. A re-erection of the family altar will make a new Christian home-life permanent.

We call upon all members to open-mindedly study every proposal to reform our social and economic order to more nearly approach Christian ideals of social justice. We believe that in the teachings and deeds of Jesus can be found the moral principles according to which the new order will be built. We believe that not competition, but co-operation, is the principle according to which a just social economy can be planned.

We plead for more general recognition of the fact that a Christian press is as necessary as a Christian pulpit. We commend the editors of our "Advocates" for presenting both sides of many difficult problems. We commend the editors of the "Classmate" for their success in bringing up-to-date information and advice to our questioning youth. That the pew may be as well informed as the pulpit, we look forward to the day when every Church member is a lifelong reader of an unbiased paper.

THOMAS W. JEFFREY, Chairman;
HERBERT H. LEWIS, Secretary.

BENEVOLENCES

We desire to express our appreciation for the fine spirit manifested in the promotion of the general benevolences of the Church, and entertain the hope that through the deepening of the spiritual life of the Church the evangelistic and missionary interests of the Church here and abroad may be greatly helped.

Resolved, That the Annual Conference create a World Service Commission, consisting of one minister and one layman from each district, nominated by the District Superintendents, which Commission shall make a study of the allocation covering projects in the foreign and home mission

fields, and those in connection with the educational institutions. The purpose of the allocation program is to select definite projects which will become the World Service responsibility in the local churches of the Conference. Such projects to receive World Service funds within the prorate division of such funds to the several benevolent boards. The report of this Commission to be completed within the year and presented to the next session of the Annual Conference.

Further, We recommend that World Service Councils be organized in the local churches for the purpose of promoting the general benevolences of the Church.

Further, That literature which is prepared by the various benevolent boards shall be used in the churches as pastor and local council may designate.

Further, That the interest of Annual Conference benevolences—that is, which are related to the general boards—should have the very best promotion work done in their behalf.

Further, We recommend that the Conference authorize a Committee on Foreign Missions as provided in the Discipline.

J. T. McQUEEN, Chairman;
D. E. CARTER, Secretary.

AUDITING

We, your Auditing Committee, have received, examined, and carefully audited the following acts, and find them neatly and methodically kept, and accurate in every instance:

1. Treasurer Board of Trustees.

2. District Superintendents of the Home Mission Maintenance Fund.

3. We accept the audit of the Kinman Morris Accountants for the Deaconess Hospital at Spokane and the Central Washington Deaconess Hospital at Wenatchee.

4. We verify the report of the Secretary-Treasurer of the Minutes equalization traveling expenses.

5. Accepted and approved the reports of the Treasurer of the Conference Board of Trustees.

6. Accepted the accounts of F. A. LaViolette.

C. A. BURRIS, Chairman.

COMMISSION ON FINANCE

1. It was voted that the percentage by which the salaries of the District Superintendents would be raised should be the same as last year, viz.: 8½% of the cash salary of the pastor.

2. That the total income from this source be distributed equally, and that each Superintendent be responsible for his own expenses, with the exception of a plus differential of $200 for the Superintendent of the Seattle-Tacoma District.

3. That according to the report of the Conference Treasurer, $16,176 was received for the District Superintendents' Fund. This amount, less the $200 differential for the Seattle-Tacoma District, gave a total of $3,175 to each of the four Superintendents and $3,375 to the Superintendent of the Seattle-Tacoma District. These amounts include salary, house rent, travel, and all other expenses.

H. O. PERRY, Chairman;
C. A. ROBBINS, Secretary.

INSTITUTIONS—TEMPORAL ECONOMY

The boards and directors of the following institutions have appeared before this Committee and presented their askings for the next year, which have been endorsed and allowed as follows:

Conference Religious Education.—We recommend that one third of the total Rally Day collection be retained by the General Board of Religious Education at Chicago; that $600 be paid to cover office expense and secretarial salary, and that the balance then remaining be divided by the Conference Board of Education among the five districts of the Conference in proportion to the total amount raised by the districts for religious education.

Northwest Training School.—The Board of Trustees having voted to suspend the school for at least one year, we recommend that the Conference continue their offerings for the coming year in order that a note of the Northwest Training School, payable to the National Bank of Commerce, Seattle, for $4,225, may be met.

Deaconess Children's Home, Everett.—We commend the Deaconess Children's Home to the churches of the Conference for such gifts of supplies and money as they can give.

College of Puget Sound.—We congratulate the College that in these trying times it has been able to operate upon a balanced budget, and recommend that wherever practicable the pulpits be opened to representatives of the College for presentation of its work and the solicitation of gifts.

Wesley Foundation.—We recommend that the following offerings for Conference Wesley Foundation be approved:

At University of Idaho	$461
Washington State College	981
University of Washington	5,725
Expense of Treasurer and promotion of program	300
Total	$7,467

In view of the fact that the askings for the Conference Wesley Foundation budget will not this year include any amount for payment on the property indebtedness of Wesley Foundation at Seattle, we approve special solicitation to meet this need and recommend that pastors and laymen cooperate to this end.

We urge that the District Superintendents and pastors give the same emphasis to the apportioned benevolences for the support of our Conference institutions as to World Service.

M. J. JOHNSON, Chairman.

PUBLICATIONS

Resolved, That we express our appreciation of the many improvements made in our Sunday-school literature, and that in view of its superiority and the fact that profits go to the retired ministers, that greater loyalty be shown to our publications.

Whereas, The importance of the "Advocates" to Methodism is admitted and this Committee feels that every effort should be made to get the "Advocate" into every Methodist home. Be it

Resolved, That we recommend to the Board of Publications that it give serious consideration to the suggestion of modernizing the typographical dress and thus increase the appeal to the public. That consideration also be given to making out a plan whereby the subscription price might be reduced to a dollar per year where it is combined with the Church pledge system on an every-member canvass.

F. A. HAZELTINE, Chairman.

PUBLIC REFORM

Resolved, That the Pacific Northwest Conference extends congratulations to Senator Nye upon his success in getting the Senate Committee appointed to investigate the munitions industry, and urges that this committee begin its work immediately and do a sweeping job.

Resolved, That the Pacific Northwest Conference send a protest to the President of the United States against further naval building, either with public works funds or under the provisions of the Vinson Bill, and urging the President to refuse all demands of the big navy men, shipbuilders, and munitions manufacturers for more contracts now.

We endorse the petition to Congress, sponsored by the League of Nations Association, and urge all pastors and laymen to assist in the securing of signatures to this petition.

We deplore the acts of military leaders in the appointing of young ladies to honorary offices in the military organizations for the obvious intention of inducing our young men to enlist for military service, and particularly call upon our Methodist girls to refuse to allow their names to be used for such a purpose.

We recommend that this Conference elect three ministers and three laymen to meet with the Headquarters Committee of the Anti-Saloon League and representatives of the Scientific Temperance Foundation and work out a united program or union of the two organizations to the end that the churches will not be called upon for financial support for more than one temperance organization.

We reaffirm the attitude of the Church that for the ultimate elimination of the evil of liquor we rely on the re-enactment of prohibitory laws.

As an aid to bring about this desired result, we pledge our support to the program outlined by the Anti-Saloon League in so far as it relates to the following propositions:

1. The segregation of the liquor traffic from all other business.
2. To amend our present liquor act, making the county the unit for purposes of local option elections.
3. To amend our present laws relating to teaching of the effect of the use of alcohol and other narcotic drugs on the human system in our public schools.
   a. Making the subject of alcohol and other narcotics a separate branch of study to be taught in all grades, including high school.
   b. Making it the duty of all school officers to enforce this act, with adequate penalty for failure to do so.

We recognize the valuable educational possibilities of the motion picture. We view with alarm the all too common insidious and pernicious influence of indecent pictures upon moral ideals. That alarm is deepened by the fact that nearly fifty per cent of our high-school youth gets its ideals of sex, crime, and war from the movies, and that less than two per cent of our younger children have their movies selected for them by parents or guardians; therefore be it

Resolved, That the Pacific Northwest Annual Conference pledge its co-operation with agencies seeking the elimination of the filthy, suggestive, and criminal; and be it further

Resolved, That we endorse the campaign of the "Legion of Decency," and urge our pastors to win our constituency to the adoption of its principles.

We commend the passage of the Patton Bill now pending concerning the control and booking of the motion-picture industry.

Convinced that the welfare of our homes and the health of our mothers and unborn children will be greatly benefited by the following amendment, be it

Resolved, That we hereby endorse the efforts of the National Committee on Birth Control to secure an amendment of our law so as to exempt physicians, legally licensed hospitals and clinics from the Federal laws which now exclude, without exception, supplies and medical literature relating to birth control from the United States mails and common carriers.

HOSPITALS AND HOMES

Reports from the Central Deaconess Hospital, at Wenatchee; the Deaconess Hospital, at Spokane; and the Deaconess Children's Home, at Everett, were received at the annual meeting on June 12, 1934.

Dr. N. E. Davis was present and spoke in high commendation of the work being done in these institutions, and of the fine financial condition, as reflected in the reports.

We heartily commend the work of Dr. Robert Warner, Dr. A. L. Howarth, and Miss Burch.

The Committee wishes to present to the Conference the following recommendation:

To the Committee on Benevolences

The Board of Hospitals and Homes recommends to the Committee on Benevolences that greater consideration on the part of the Conference at large be given to the Deaconess Children's Home of Everett. Inasmuch as this institution was a gift from the community of Everett, the workers in the institution feel that more Conference-wide interest should be cultivated.

We recommend that the pulpits of our churches be opened to the presentation of this very valuable and necessary work.

ERNEST BARBER, Chairman.
MRS. ROY W. WILDER, Secretary.

SOCIAL SERVICE

We believe that the motives and methods essential for social reconstruction are found in the gospel of Christ. Therefore we are opposed to a prosperity which is restored by placing a favored few in power or in legislating against shorter working days or the minimum wage which would be detrimental to the best interests of industry, and would be discriminatory against a single class. The supremacy of the service rather than the profit motive in the acquisition and use of property on the part of both labor and capital, and the most equitable division of the product of industry that can be devised.

We believe in a governmental program seeking to build a social order after the pattern of the ideals of Jesus. We are opposed to the protection of vested interests, or which fails to offer a like protection to labor, producer, or consumer. We do not see any way out under our present profit-motivated system, but we will definitely lend our support to any governmental program which we believe will show us the way out.

We recommend, further, a rapid extension of social ownership and democratic control of natural resources, and the principal means of production and distribution, exclusive of agriculture.

We urge that the United States no longer delay the enactment of some form of compulsory unemployment insurance and old-age pension.

We favor the ratification of the "Child Labor" amendment now before the nation.

We ask that no funds voted for relief purposes be used for our army and navy.

We petition our Representatives in the Congress of the United States to enact legislation which will make it illegal for any corporation or company to intimidate, coerce, or unfairly influence their employees in any

way to join an employer-initiated, financed, and controlled organization dealing with wages, hours, and grievances relative to conditions of work. We endorse the provision of the National Recovery Act, Sec. 7-A, affirming the right of employees to organize and bargain collectively through representatives of their own choosing, and urge organized labor to purge itself of radical influences and follow the leadership of its trusted representatives.

We further concur in the spirit of the pronouncements of the General Assembly of the Presbyterian Church in the United States of America and the General Conference Commission on World Peace of the Methodist Episcopal Church in their declaration against the war system.

Our fundamental conviction is that war is sin. It is not only unnecessary, but it is futile and suicidal. We are convinced that the time has come for the Church to face the implications of this statement. As we see the implications, no Christian should engage in any war for any purpose or give it his sanction or approval. We commend the Government for placing an embargo on the sale of arms and war materials to belligerent nations, and ask that the Government control the manufacture and sale of munitions. While the Church exists to minister to human need wherever it is found, and is determined to minister to members of the armed forces of the United States in time of war or peace, no Christian should consent to serve as a military or naval chaplain under the command of the Government. Such chaplains are an integral part of the war machine subsidized by the Government and subject to the dictates of military authority.

We support all conscientious objectors to war or compulsory military training of those possessing the Christian ideal, and ask our Board of Education to record the signatures of young people who object to war, so that they may receive the full support of the Church.

We are in accord with the sentiment expressed by President Roosevelt, "Human rights and needs are paramount," and ask that the Administration do everything possible to provide each man a chance to live honorably. We recommend as a temporary measure that those responsible for our relief programs substantially increase the family allowance of those families which find it impossible to earn a living.

C. W. CAUGHLIN, Chairman.

HISTORICAL SOCIETY

In the midst of the Jason Lee Centennial celebration, the report of the Historical Society may merely outline the major events which merit our felicitations. We commend the movements and spirit so uniformly expressive of the high appreciation of the characters who took part in opening missionary work in the Pacific Northwest.

We wish to compliment the friends at Stanstead L. C. for their unique commemoration of Jason Lee's leaving home to start on his great commission to old Oregon in August of 1833.

We appreciate the Jason Lee special program being so well sponsored by the Board of Home Missions and Church Extension. Especially would we recognize the generous contribution of time and vigor made by our resident bishop, Bishop Titus Lowe. Enthusiasm has been aroused beyond the faith of the friends of this missionary project.

This year is also the Sesquicentennial of American Methodism, when at that famous Christmas Conference the Methodist Episcopal Church was begun in 1784. The program outlined by the General Conference Commission should be welcomed in all the churches throughout our own Conference.

In the spirit of fairness we believe a larger place should be given the Christian missionary projects among the Indians and early settlers. Map makers and writers might well give attention to a clearer portrayal of the Christian influences that aided so largely in the development of the Pacific Northwest. We believe the public schools might give a larger place to the original resources, both local and general, that made for the better pioneering of the past century.

We welcome this historic day, and pray that the spirit of pioneering with Christ and his Church may ever dominate the heirs of Jason Lee and his associates.

JOHN M. CANSE, President.
JOHN A. HOFFMAN, Secretary.

RESOLUTIONS

We, the members of the Pacific Northwest Conference of the Methodist Episcopal Church, assembled at Vancouver, Washington, sincerely acknowledge our dependence upon the mercy of our heavenly Father, and our indebtedness to all who have contributed toward making this, the sixth session of our Conference, so historically and spiritually outstanding. Therefore be it

Resolved That:

1. Our hearty thanks be hereby tendered to our Brother Raymond Rees, the Methodists and friends of the city of Vancouver, for their genial hospitality and untiring efforts in ministering to our comforts and needs.

2. We wish to thank the school board of District 37 for the use of the Shumway Junior High School building, in which we have held our sessions.

3. We are deeply appreciative of the hard work on the part of the ladies, for the efficient and fine quality of meals served.

4. We gratefully acknowledge the kind words of welcome given by Judge George B. Simpson, the concise and inspiring representations of those presenting our various church interests, and we wish to thank the singers and musicians, who have greatly added to our seasons of worship. Especially we wish to mention the uplift received from the ministry of Dr. Lucius H. Bugbee.

5. We commend the Joint High Commission on the "Jason Lee Centennial Celebration," and for the privilege of meeting with the Oregon Conference. We specially thank Miss Sybil Leone Tucker, her staff and players, for the pageant, "Jason Lee," so masterfully presented.

6. We are happy in having had the visit and preaching of our own Bishop Titus Lowe, and also for the presence and address of Bishop Ernest L. Waldorf.

7. There has been a special gratification to this Conference in having Bishop J. Ralph Magee as our presiding officer. We appreciate the fine Christian brotherliness of his spirit, and the effective statesmanship of his administration.

8. Under the guidance of the Holy Spirit we pledge our renewed efforts and utmost consecration to the cause for which our Church stands in building the kingdom of our Lord Jesus Christ.

ERNEST F. HAROLD, Chairman.
CHARLES LEWIS, Secretary.

MEMOIRS

WILLIAM J. SCOTT

Rev. William J. Scott was born in Ireland in September, 1875, and died at his home in Parkland, Washington, on the afternoon of June 25, 1933.

He came to the United States in 1905. He immediately became a minister of the Methodist Episcopal Church, which he served faithfully till the day he was translated. He is survived by his widow, Emma J.; three daughters: Mrs. Georgina Boettcher, of Kodiak, Alaska; Miss Helen and Miss Mable, of Parkland, and one son, Cecil W., of Parkland.

His pastor, Clark J. Wood, officiated at the funeral services. Several brother ministers assisted. Interment was in Mountain View Cemetery of Tacoma.

The large attendance at the final services, the many groups represented, and the tributes paid his memory all testified to his integrity and wholesome character.

THOMAS H. FERTIG

With the death on November 24, 1933, there passed to his reward one of the veterans of the old Columbia River Conference, Rev. Thomas H. Fertig.

Born October 1, 1855, in the State of Kentucky, he was orphaned at the age of twelve. His life was immediately directed toward preparation for the ministry of the Methodist Episcopal Church, for which he qualified in 1892. He served many charges in eastern Washington, and is remembered for the leadership he took in the affairs of the Conference.

He is survived by his widow, with whom he had lived for forty-seven years. Also he leaves a son, Leslie C. Fertig; a daughter, Mrs. James E. McBurney, and a brother, N. E. Fertig.

Funeral services were conducted by Rev. Ray S. Dum. Other ministers assisted in the service or acted as pallbearers. The casket was draped with a large Christian flag. Interment was made in a Spokane cemetery.

JOHN WESLEY MOLES

Rev. John Wesley Moles, retired member of the Pacific Northwest Conference, passed away on Thanksgiving morning, at his home near Ferndale, Washington, aged seventy-five. He was a graduate of Illinois State University and Illinois Wesleyan. He joined the Central Illinois Conference in 1890, and served for fourteen years. In 1904 he was transferred to the Puget Sound Conference and held pastorates at Vashon, East Sound, and Ferndale. Ill health caused him to retire in 1912, but still he preached, supplying Ferndale for a while, and later for six years at Custer. Besides his widow, he leaves two sons: John and Orville, and two daughters: Mrs. Roy Franklin and Miss Mildred Moles, all living in or near Ferndale. The funeral services were held in the Ferndale Methodist Episcopal Church, and were conducted by C. B. Seely, A. W. Smith, Herbert Jones, and G. E. Landon. Brother Moles was a man of retiring modesty, deeply religious and conscientious, a broadminded scholar, generous, and self-sacrificing.

EDWIN OGLESBY GRIMES

The funeral services for Rev. E. O. Grimes were held in Tacoma, Washington, on January 22, 1934. Rev. Paul F. Green, pastor of Epworth Church, presided. He was assisted by the Superintendent and several other ministers. Interment took place in Mountain View Cemetery, Tacoma.

He was born in DeWitt County, Illinois, January 9, 1864. When a small child he moved with his parents to Kansas. He was a graduate of a business college in Quincy, Illinois; he received his B.A. from Baker University and his S.T.B. from Boston University School of Theology.

He united with the North Dakota Conference, was transferred to the Puget Sound Conference in 1917, where he served charges until illness compelled him to cease his active work.

In November, 1904, he married Lillian W. Austin, who survives him. He also is survived by three children: Lawrence, Grace, and Alice, all living at home.

THOMAS ALBERT GRAHAM

Thomas Albert Graham was born in a Methodist parsonage in Corunna, Indiana, December 29, 1864, and died in Tacoma, Washington, February 10, 1934. He was converted as a young man, and at the beginning of his ministry was married to Carrie Maxwell on November 17, 1891. He preached in the North Indiana Conference until 1906, when he transferred to the Puget Sound Conference, moving to Sumner, Washington. He served in the Methodist ministry for forty-two years, retiring in June, 1932. He was a much-loved pastor, a strong preacher, a tender understanding husband, and a loving father. Through the illness and suffering of the last few months he put to test the gospel he so long preached and found it adequate. He is survived by his wife, Carrie A. Graham; four sons: Olin M. (Methodist pastor at Ellensburg); Geyer B. and Verlin E., of Tacoma; Ronald T., of Snoqualmie; one daughter, Mrs. Gordon M. Watkins, of Athena, Oregon.

Services were held in Tacoma and were in charge of Dr. H. O. Perry. He was assisted by several other brethren. Interment was made in a Tacoma cemetery.

OLIN W. MINTZER

Rev. O. W. Mintzer died at a hospital in Seattle on February 13, 1934, following an operation. The funeral was held from the church at Cashmere, with Rev. H. E. Gardner officiating. Assisting were the Superintendent and other ministers.

He entered the ministry of the Methodist Episcopal Church in 1882 and served many charges in the Northwest. The most lasting service he rendered the Church was doubtless as Superintendent of the Republic Mission, of the Columbia River Conference. His term coincided with a period of material prosperity and marked growth in population, and he was responsible for the starting of many Methodist congregations.

His career had about it the romance and thrill of the old frontier, where he stood as a stalwart figure ministering in the name of his Christ and his Church.

HENRY ALBRIGHT

Rev. Henry Albright, aged seventy, died March 20, 1934, in the Spokane Deaconess Hospital. He entered the Evangelical Church ministry thirty-two years ago and served a number of pastorates in Oregon and Washington. For the past sixteen years he had served Methodist charges, eleven years being spent at Oysterville and Ocean Park, Washington.

He was born in Bloomfield, Indiana, September 21, 1863, and forty-one years ago he was married to Anna Kline. His widow survives him, as also does a son, Rev. Ernest L. Albright, of Fresno, California.

Final services were held in Portland, Oregon. His District Superintendent, Dr. Roy L. Sprague, and Dr. T. E. Elliott, Rev. R. S. Rees, and other ministers shared in these final rites.

MRS. HAZEN OAKES

On September 9, 1933, in the city of Spokane, there slipped away to her heavenly reward Mrs. Hazen Oakes. She had been ill for many years. Final services were conducted by Rev. E. P. Goulder, of Manito Church, of which she was a member. Her body was placed alongside that of her husband in the cemetery at Thornton, Washington.

She was born at Well Springs, Tennessee, December 29, 1857, and is survived by two sons: M. S. Oakes and E. E. Oakes, and by a daughter, Mrs. M. S. Ridenour.

She was a loyal and faithful minister's wife and a good mother to three motherless children.

DEBRA J. HELMICK

On March 25, 1850, there was born in White County, Indiana, Debra J. Simons. Here she lived until she was fourteen years of age, when she moved, with her parents, to Iowa. At the age of eighteen she felt her heart "strangely warmed" and she confessed Christ, uniting with the Methodist Episcopal Church. On November 21, 1875, she married D. M. Hemlick. At the time of her death, which occurred in Salt Lake City on July 21, 1933, she had lived with her husband almost fifty-eight years, and she had been a Methodist for seventy-five years.

She is survived by her husband and three children.

Final services were conducted by Dr. C. W. Hancher, the District Superintendent, and by Dr. Roland H. Ayres, pastor of First Church, Salt Lake City.

MRS. R. N. ORRILL

Funeral services for Mrs. R. N. Orrill were held in the North Hollywood Methodist Episcopal Church on January 25, 1934. Fourteen ministers, friends of Mr. and Mrs. Orrill throughout their pastorate, extending from Lincoln, Nebraska, to Seattle, Washington, were present for the beautiful service. The pastor, Rev. R. D. Detweiler, conducted the service.

She was born in Vinton County, Ohio, March 24, 1872. Her life was united in marriage with that of Rev. R. N. Orrill, January 27, 1891. Her husband survives her, as do two children: Robert Martin Orrill and Elizabeth Orrill Akervold.

She was converted and united with the Methodist Episcopal Church in her early teens; she had ever been faithful to her Lord and to the Church of her choice.

Her body was placed in the mausoleum of the Grand View Memorial Park of Glendale, California.

MRS. ANNA ELIZA HOUSTON MASSEY

Anna Eliza Houston was born December 19, 1846, near New Richmond, Ohio. She passed on February 22, 1934, aged eighty-seven. Her mother was a praying Christian, and the daughter was converted in childhood at a Methodist revival.

At the age of fifteen she moved with her family to western Kentucky, where she began teaching school in her sixteenth year. Directly following the Civil War, they moved to southern Illinois, where she taught in the public schools until her marriage to Richard Hargrave Massey, July 31, 1882.

She served with her husband in the Southern Illinois Conference until September, 1886, when he was transferred to the Puget Sound Conference as pastor at Olympia, Washington Territory. Following her husband's retirement in 1904, they made their home at Olympia until 1910, since when they have resided in Tacoma.

She was laid to rest beside her husband in Olympia Cemetery.

She is survived by her daughter, Miss Barbara, of Tacoma; one sister, and two brothers.

Services were conducted by her pastor, Rev. J. Franklin Haas, of the First Methodist Episcopal Church of Tacoma.

MINUTES OF LAY CONFERENCE

The lay members of the Pacific Northwest Annual Conference met at Vancouver, Washington, June 21, 1934, at 2 P. M., Dr. Paul Sweet, President, in the chair.

Prayer was offered by J. M. Moore, after which the Minutes of the 1933 meeting were read and approved.

Mr. Grant Hunt reported for the Committee on appealing Bishop Lowe's decision rendered at the 1933 United Session "that the number of districts was decided by the presiding Bishop after consultation with the members of the Cabinet." On motion, it was ordered to request an interpretation of this authority from the Judiciary Committee of the next General Conference.

Mr. C. H. Lewis presented the report of the Committee on Ministerial Support, and the Committee was continued for another year. One member from each district was chosen, as follows: C. H. Lewis, Puget Sound; Seth Morford, Seattle-Tacoma; Fred Levering, Spokane; George Bigelow, Vancouver; Elmer Sudler, Walla Walla.

On motion, a Committee on a Conference Brotherhood organization was appointed, as follows: J. B. Hall, chairman; Leonard Wager, and A. C. Kershaw.

On motion of Dr. Pickett, the officers of the Lay Conference were instructed to request the arrangement of the dates of the united sessions for next year, so that the laymen might take part in all legislation in which they are entitled to participate.

Mrs. Grace Cooper, Treasurer, reported expenditures to the amount of $10.90, and an offering of $18.50 was taken to cover this expense.

Mr. J. B. Hall spoke briefly on the subject of County Methodist Men's Associations.

Mr. George Bigelow reported for the Nominating Committee, and the following were nominated for officers of the Lay Conference: Chapin Foster, President; Fred Levering, first Vice-president; Mrs. C. H. Christopher, second Vice-president; Chas. A. Robbins, Secretary; Mrs. Grace Cooper, Treasurer; and the same were duly elected.

Dr. Sweet introduced the new President, who was escorted to the chair.

Dr. Walter Torbet, Western representative of the Board of Home Missions, spoke of our work in the Northwest and Alaska.

The Conference adjourned, to meet at 1 P. M. Saturday.

SATURDAY SESSION

The Lay Conference opened at 1 P. M., Mr. Chapin Foster, presiding.

Mr. C. H. Lewis presented the report of the Committee on Resolutions, as follows:

Be it Resolved, That we memorialize the General Conference that it change the method of election of lay members to the United Session of the Annual Conference, so that each lay member may represent the charge for three years instead of for one year, as at present.

The Conference registered a strong protest against all indecent motion pictures, and pledged themselves to stay away from all such exhibitions. (See report of Committee on Public Reforms.)

F. A. Hazeltine presented the report of the Committee on Publications, and the report was adopted.

Mr. Firth, for the Committee on Pooling Traveling Expenses, gave his report, and it was recommended that matters be left to the Transportation Committee until after the seat of the Conference has been determined for next year, at which time they ascertain the average cost per member for that session. The Lay Secretary shall inform each member elected next year of the amount of assessment, and who shall be prepared to pay the same on presentation of their credentials.

A rising vote of appreciation was given to Dr. Sweet for his valuable services as President during the past year.

The Conference then adjourned.

FOSTER CHAPIN, President.
CHAS. A. ROBBINS, Secretary.
